Melvin Nielson with a 232 game rolled the high single during the week's bowling with Roy Milnes throwing a 221. Don Bishop with 569 rolled the high three game series with LeRoy Akers coming in with a 543.

Bishop went into the average race lead with 174.51 over Al Cherven who now has 174.44. Roy Milnes holds down third with 171 with Matt Bidvia fourth with 169.33 and Bob Phillips fifth with 169.28. Dave Cook is sixth with 167.87, with Sam Rasmussen seventh with 167.14. Harold Jarmin is eighth with 166.35 with Bob Dean ninth with 166.33 and Lew Stillwagon tenth with 166.5.

Harold Jarmin ruled as the singles champ of the city tournament just finished last week end with a 672 score including handicap. Herman Bertl, Jr., and Perry Bartonfelder both of the Roscommon League won the doubles crown with Hanson's Chevrolet ruling as team champions. Bertl also won the all-events with a score of 1914 including handicap.

Hospital Aid

Eighteen members of the Hospital Aid were present at the nurses home on Thursday to make pads for the hospital and scrapbooks for the children who are hospitalized.

Mrs. John Brady and Mrs. C. McNamara were hostesses for the day and St. Patrick's Day decorations were used at the refreshment table.

The aid has purchased a new typewriter for the use of the hospital.

Frederic Sportsmen To Hold Party

The Frederic and Maple Forest Sportsmen Club will hold a party at the Frederic Town Hall on Saturday evening, March 17, if it has been announced by the President, R. H. Hilde.

Another good time is expected and it was also announced that there would be a change of music for the Saturday night affair.

Grayling

SIXTY-FOURTH YEAR NO. 11

GRAYLING, MICHIGAN, THURSDAY, MARCH 15, 1951

10 PAGES - PRINTED IN ONE SECTION - PRICE 5 CENTS

Plan Highway Projects On US-27

The State Highway Department on March 23 in Lansing will determine low bidders on twelve state trunkline construction projects, Highway Commissioner Charles M. Ziegler has announced.

Among them are: 5.83 miles of grading, drainage structures and bituminous concrete on M-144, M-18 and M-76 in the city of Roscommon; 2,650 miles of similar construction at the intersection of M-55 and US-27 in the vicinity of and south of the State Police post at Houghton Lake; and .572 miles of similar construction at the US-27-M-76 intersection south of Grayling, including widening to include a third lane to increase driving safety for drivers wishing to leave US-27 and proceed south on M-76. Such cars will be able to pull over to the right out of traffic and wait for a safe opportunity to make a left turn onto M-76.

Kiwanis Club Notes

Two Department of Conservation motion pictures formed the program presented at the regular weekly meeting of the Kiwanis Club of Grayling held at the Lone Pine Inn Monday evening.

One film was about timber cutting in Michigan and the other concerned mammals of Michigan. Both were filmed by Walter Hastings and were very fine movies.

Vice President Max Davenport was in charge of the program and the projector was operated by Gerry Barber.

Club President Roy Milnes revealed that the board of directors of the club had elected Conservation Commissioner George A. Griffith to a honorary membership for this year.

The Eight Division bowling tournament will take place this coming Sunday in Grayling with the event co-chaired by Larry Galehouse and Willard Cornell. Up to this time teams have been entered by Cadillac, two by Gaylord, three by Grayling and it is expected that Houghton Lake and other clubs in the division will enter teams during this week.

Lovells News

Mr. and Mrs. Laurie called on friends in Oscoda last week end.

Mr. and Mrs. M. Munnaw were called to Chesaning to attend the funeral of the former's aunt, who passed away last week.

Robert Steckling returned home from Saginaw, where he went to consult a specialist. Little Susan Lamphire returned home with him and will stay with her grandparents while her mother, (Petty) Lemphire is confined to the hospital, where she is under the doctors care from a recent operation.

Mr. and Mrs. F. Wood made a business trip to Detroit last week.

Mr. and Mrs. Ted Turpea of Lewiston were guests of the C. Stillwagons Sunday.

Several friends have been receiving cards from the Hartmans and Gilberts telling of the wonderful time they are having on their trip through the South.

We were certainly glad to have Mrs. Harold Johnson and children back to our Sunday school and church services Sunday. The snow and bad roads during winter months have kept them home, and we were more than happy to have them with us Sunday. Mrs. Johnson is our regular superintendent and a very proficient one and very much needed to help in the work.

Jim Douglas having finished his dentist technician course in Elkhart, Indiana, came home last week.

We enjoyed hearing Rev. W. Traver of Alpena bringing the morning message at our chapel service.

Rev. and Mrs. Sebree and family and Rev. and Mrs. Traver of Alpena enjoyed Sunday dinner with the Edgar-Caids Sunday.

As good number were away last Saturday so not so many attended the Fellowship dinner Saturday night. But those that did attend enjoyed a good dinner after which choruses were sung and a fellowship together.

We are glad to know Mr. Morris is much better and expects to come home from the hospital the last of the week. He had a very pleasant surprise as did the other members of their family last week when their son, Junior, came home on a furlough to see his father, who has been very ill, and the rest of the family. Junior has been stationed in the Hospital Med. Dept., Fort Dix, New Jersey.

Word has been received that Grandma McCracken, mother of Mrs. J. Stokes and Mrs. Russell Gilbert, was very ill at her daughters home, Mrs. Stokes. Mrs. McCracken was a frequent visitor in Lovells and we wish her a speedy recovery—congratulations.

Mr. and Mrs. Wm. Miller drove over to Oscoda Saturday on a business trip.

Mr. and Mrs. Edgar Caldwell had charge of the progressive 500 party last Friday night. Marie Duby and Pat Carroll won first prizes, and Mary Brant and C. Stillwagon consolation prizes. Mr. and Mrs. Horsel will be host and hostess for this weeks party.

The Cheerful Givers Club will meet Thursday with Lucille Munrow in the evening for regular business.

County Republicans To Meet Friday Evening

A meeting of Crawford County Republican members has been called for Friday evening at 8 P. M. at the Court House by the County Chairman, Judge Ray F. Clement.

Township representatives were especially urged to attend the meeting at which some important business is to be discussed, Chairman Clement said. Plans will be formulated at the meeting for a dinner in the near future at which some well-known state representative of the party will speak, he added.

Appeal Made For More Plasma Registrants

With only one registrant on hand today, the Community Free Blood Plasma Procurement Committee issued another appeal for volunteers to donate blood for this community's plasma and fractions supply.

"We must have more volunteers. This is a community life-saving project. The only way we can get plasma and fractions for every one who needs them is for every able-bodied adult to give a pint of blood," the committee said.

The community plasma procurement center will be held on April 9 and 10 at Michelson Memorial Church the hours to be announced later.

The center will be staffed by a doctor and nurses loaned by the Michigan Department of Health. Part of the blood collected here will be returned to this community in the form of plasma and fractions for treatment of accident or illness the rest is to go to Korea.

Residents of Crawford County between the ages of 18 and 60 who are able to donate blood are urged to call 4781 and register.

A blood donation will take only a half hour of your time, but it may mean a lifetime for you or someone else.

Three things are given consideration in the selection of donors; the possible effects of the loss of a pint of blood on the prospective donor, the effect of the use of the prospective donor's blood on the final product and the maintenance of community interest in the program.

It is essential to the continuation of the program that only persons accepted as donors who we may reasonably feel will be unaffected by the loss of a pint of blood. If those responsible for registration will bear in mind the following considerations observed in the selection of donors, fewer donors will be rejected at the clinics.

Only persons between the ages of 18 and 59 inclusive are accepted as first time donors.

A minor between 18 and 21 years of age is acceptable only with the consent of a parent or legal guardian. Written consent must be presented at the clinic before the minor is accepted as a donor.

A person must weigh at least 110 pounds to be accepted as a donor.

Only persons who have systolic blood pressures within the range of 100 to 200 mm of mercury are accepted as donors.

Only well persons are accepted as donors. No person with acute illness or history of recent illness or operation is acceptable as a donor. No person under the care of a physician will be accepted without the knowledge of his physician.

Women who are pregnant or have babies under six months of age cannot be accepted as donors.

No person will be accepted as a donor who gives history of ever having had diabetes, Hodgkin's disease, clinical pulmonary tuberculosis, undulant fever, epilepsy, syphilis or infectious epidemic jaundice.

Persons having allergies are acceptable as donors providing they are free from symptoms and are not under treatment.

Persons having given blood within the past ten weeks are not acceptable as donors.

Persons having received sulfa drugs and antibiotics, such as penicillin, aureomycin, etc., within a period of two weeks are not acceptable as donors.

Any person having a history of cardiac (heart) disease will be rejected.

Persons having had malaria will be accepted as donors provided they have not had a recurrence within the past 18 months.

Persons eating fats such as butter, cream, eggs, fat meats and rich soups, within 4 hours of the time for donation of blood, are not acceptable as donors.

All donors are examined at the clinic and only those who can safely give a pint of blood are accepted. It takes only a few minutes to give a pint of blood and there is no discomfort to the donor.

The plasma program of the Michigan Department of Health is endorsed by the Michigan State Medical Society, your local Medical Society, the Michigan Hospital Association and the American Red Cross.

Dr. and Mrs. C. R. Keyport left for New York City Sunday to spend several days.

Mrs. Elmer Rasmussen and Mrs. Wilfred Laurant were honored guests Monday evening at the home of Mr. K. K. Kitchen, when a number of their friends gave a dinner party in honor of their birthdays. Mrs. R. O. Filkins of Flint and Mrs. Donald Orr of Traverse City were out of town guests. After dinner bridge was enjoyed.

Two More Enter Council Race

Two more Grayling men entered the race for the three City of Grayling Council posts which will be decided at the Spring Election on April 2. The two who filed for the election prior to the deadline last Saturday noon are Don Smock and Wilbur Simpson.

This brings to a total of seven who are seeking the three posts on the Council. First to file were the three incumbents who are seeking re-election, Don Gothro, Emil Giegling and Jess Schoonover. Later William LaChapelle and Emil Tahvonen filed for the race and then Smock and Simpson also entered their petitions bringing the total up to seven.

It is expected to be the hottest race for Council post that has occurred in Grayling for some time and with the large field seeking the three chairs on the Council should bring out a very heavy city vote for a spring election.

Bottling Company Buys Building

The Grayling Bottling Company, whose plant was entirely destroyed by fire on January 21, has purchased the former Dore Manufacturing Company building on Cedar Street and has started to install their bottling equipment. It has been announced by Carl Strobel, owner.

The building which is now occupied by Cadillac Overall Supply Company will be ready for bottling operations about April 1. Strobel said. The Cadillac Company will take up temporary quarters in the building on North US-27 that formerly housed the Grayling Auto Service. The overall supply company expects to construct a building of their own later this spring on property which they own just south of the Lone Pine Inn.

The blaze which brought total destruction to the bottling company's plant on Lake Street was estimated to have caused between \$20,000 and \$60,000 damage by the owner. Although most of the machinery of the plant was totally destroyed, badly damaged and company expects to construct a building of their own later this spring on property which they own just south of the Lone Pine Inn.

Three trucks were saved from the blaze and a large shipment of bottle caps arrived the day after the fire which materially aided the company.

Mr. Strobel stated that the Grayling Bottling Company would continue to bottle the same products as before the blaze and would service the same areas as before.

Former Resident Passes At Park Lake

Mrs. Rose Dumont, 69, of Park Lake passed away Thursday morning at the St. Lawrence Hospital in Lansing. Funeral services were held at the St. Thomas Aquinas Church of East Lansing, where she was a member. She was also a member of Our Lady of Fatima Guild at Park Lake. Rose Vallad was born in Ottawa County in 1882, the daughter of Mary and Peter Vallad. They moved to Crawford County leaving Creek Township in 1884, where they lived on a farm. In 1897 she was united in marriage with Louis Dumont, who was working for a Lumber Company along the Manistee River, where she went to work as a cook. They worked for several lumber companies, and at one time had their own logging camp near what is now known as the Hartwick Pines. Later they moved to Park Lake, where they purchased a farm, where they have been living for the past 30 years. Surviving are the husband, Louis J.; two sons, Leslie and Charles, both of Park Lake; two brothers, Oliver and Will Vallad, both of Lansing and five grandchildren. Those attending the funeral services from Grayling were Mr. and Mrs. Wellman, (Barney) Vallad, and Mr. and Mrs. Norval Stephan.

Errors In Story Corrected

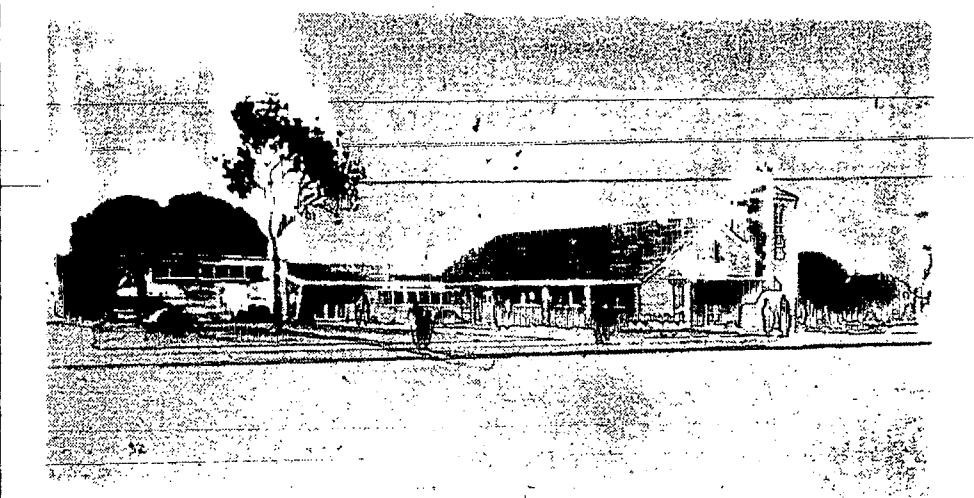

Several errors were reported in the story concerning the services held for Alfred Galloway two weeks ago. His name should have read Alfred Dym Galloway and the services were held at the Grayling Free Methodist Church with Rev. Herbert Sebree officiating.

Mr. Galloway was born in Vernon Township, Shiawassee County and when one year old moved with his parents to a homestead near Vanderbilt, where he lived until 1903. He was united in marriage to Miss Mary Beuls and to this union were born ten children. Four preceded Mr. Galloway in death.

He leaves to mourn his untimely passing besides his widow, five sons, Thomas and John of Flint, Clarence, Frank and Alfred of Grayling; one daughter, Mrs. Estle Dennig also of Grayling.

The remains were laid to rest in the Corwith Cemetery near Vanderbilt where the children are interred. Mr. Galloway's twin brother passed away in Grayling in 1938 and Mr. Galloway's health had been failing since that time.

St. Mary's Parish About To Start New Church And School

Pictured above is an artist's sketch of how the new combined St. Mary's Church and School will appear upon completion. Work on the \$80,000 project is expected to start within the next few weeks.

Final plans have been completed and construction is scheduled to begin within the next few weeks on a new Parish Building for St. Mary's Church, Grayling. The new building will be a combination Church and four classroom school. The structure will be built of Waylite Block with brick facing, feature Laminated Arches, Purlins and Rafters. It is estimated that the building will cost between \$70,000.00 and \$80,000.00.

The Church will have a seating capacity of three hundred and twenty. The four classroom school when opened, will embrace first eight grades and will be able to accommodate over one hundred and fifty children. Over

District Supervisors Hold Meeting Here

Members of the Second District of the Association of Supervisors held their quarterly meeting in Grayling on March 1. The meeting was opened by President Clarence Meggison of Charlevoix in the Court House at 10 A. M.

Members of the district association which includes the counties of Emmett, Charlevoix, Antrim, Leelanau, Grand Traverse, Kalkaska, Benzie and Crawford, adjoined the meeting at noon for a dinner at the Lone Pine Inn.

The afternoon session was taken up with talks by Conservation Commissioner George A. Griffith and Conservation officials from the Regional Office at Roscommon. The group then moved to the Legion Hall basement where movie on Conservation were shown. "Pattern for Survival" was also screened for the group. The movie was sent for the meeting from the State Civilian Defense office through Van Smith, Crawford County civilian defense chairman.

Representatives from the office of the State Association of Supervisors in Lansing also attended the session which was much enjoyed by those present although the bad weather that day held down the attendance.

North Branch

Birthday greeting to Joe Vance, Mrs. Jake Stillwagon, Marilyn Wade, Jack Wade, Janet Johnson and Marion O'Connor, who all celebrate their birthdays in March. Happy Birthday to everyone.

The family of Joe Vance called at the Jake Stillwagon home on Sunday to help him celebrate his birthday.

All people traveling south on the down road now since Blondy Dam bridge has been fenced off to traffic.

Several members of Mrs. J. E. Kellogg's family called at her home on Sunday. Mr. and Mrs. Guy Kellogg and Cheryl of Saginaw, Mr. and Mrs. Henry Vance and Donna of Lurezene, Mr. and Mrs. Lyle St. John and family and Teddy Crawford of Grayling, Mr. and Mrs. Clayton Kellogg, Glend and Bill, and Floyd Hyslop of Higgins Lake.

William Pochelon has been at the Pochelon cabin the past two week ends.

We are glad to hear that Jack Wade has received a promotion. Has everyone sent their magazines to Jack?

Episcopal Guild News

The St. Francis Episcopal Guild met Tuesday, March 6, at the home of Mrs. Robert Phillips, Karu Woods. Mrs. Emil Niederer was the devotional leader for the day. The next meeting will be held Tuesday, March 20, at the home of Miss Frances Mickelson, Lake Margrethe. For transportation call 3141.

Health Meeting To Be Held March 19

There is to be a Health Meeting at the High School, March 19th at 8 P. M. The public is urged to attend as there is to be a speaker on Civilian Defense in the advent of Atomic bombing.

Caucuses Nominate Township Candidates

The following were nominated at the caucus held at the Frederic Town Hall on March 12 to appear on the township ballot in the April 2 election. Supervisor, Ray Murphy; Township Clerk, Percy Harmer; Township Treasurer, Charles Craven Justices of the Peace, full term, Otis Weaver and Roy Lance; member Board of Review, 4 year term, Otis Weaver, and Constable, William Leng.

At the caucus held in Lovells Township, Wm. Miller was nominated supervisor. Ray Duby, Clerk; Edith Hartman, Treasurer; Harold Johnson and Paul Loeffler, Justices for 4 year terms; Joseph Gardopce and Bernhard Mundt, members Board of Review, 2 years; Charles Kellogg and Edna Scott, constables.

Jack McMillan was nominated supervisor at the People's caucus held in Grayling Township, March 5. Other nominees are Dan Babitt, clerk; John Stephan, treasurer; Earl Isenbauer, Highway Commissioner; Hurl Deckrow and Van Smith, Justices of the Peace; Norval Stephan, Board of Review; Frank Muth and Marx Stephan, constables.

Sophomore Class Talent Show, March 21

The Sophomore Class of Grayling High School is sponsoring a talent show which is to take place on Wednesday, March 21, at 7:30 P. M. in the school auditorium.

Contestants can sign up until March 19th with any of the following girls: Beatrice Quinn, Louellen Watkins, Jerimae Harwood or Jean Lovely. Contestants have entered from Roscommon, Kalkaska and Gaylord.

Admission will be 25 cents and cash prizes will be awarded to the winners. The public is cordially invited.

Local Shop Holds Style Show

Over seventy-five ladies were present at Shoppenagons Inn Tuesday evening when Mrs. Stanley Stealy presented a showing of the new spring merchandise from the Shirlee Shoppe.

Some very lovely dresses, hats and purses were modeled making one wish that spring was already here and not still around the corner.

The ladies who very ably modeled new styles were Mrs. Mary Lawton, Mrs. Henning Knudsen, Mrs. Les Welch, Mrs. Gertrude Rowley, Mrs. Harold Rasmussen, Miss Norma Parkinson, Miss Marlene Sorenson and Miss Joan Bond.

FETED AT SHOWER

Mrs. Frank May, Jr., and Mrs. Leo Lovely were co-hostesses at a miscellaneous shower Tuesday evening at the home of the former, honoring Miss Joan Randolph, bride to be.

Twenty-six ladies were present. Out of town guests were Mrs. Max Wells and Mrs. Owain Gray of Fife Lake.

Games were played with prizes going to Mrs. Whitey Maesen, Mrs. Richard Lovely, Mrs. Lorne J. Douglas and Mrs. Wells.

Refreshments were served at a table which was decorated with little umbrellas—Miss Randolph received many lovely and useful gifts.

Tuesday Bridge Club met at the home of Mrs. Carl Richardson this week with Mrs. Joseph Stripe as co-chairman. Mrs. Willard Cornell and Mrs. K. K. Kitchen were guests. Mrs. Cornell and Mrs. John Peterson won the prizes.

Home Extension Group 5 met at the home of Mrs. Howard Bunker on Monday evening. Mrs. Fred Lamm gave the lesson on pattern alteration, after which there was a general discussion.

new Church is completed, at which time it will be converted into a Parish Hall.

One of the features of the new Church will be the "Cry" room for the convenience of mothers with small babies. A sound proof room, with a plate glass window, where mother can assist at Services without disturbing the rest of the congregation when baby cries.

Father John Breitenstein, pastor of St. Mary's Parish, expects the construction to be completed this Fall. The Parish Building Committee supervising the construction consists of John Brady, Richard Lovely and Jerome Keseler. Magnuson and Sumner of Muskegon, Michigan, are the architects who designed the building.

Fleet truck and Auto insurance covering collision, public liability and property damage, fire and windstorm for a period of one year.

Workmens Compensation as required by the State of Michigan for a period of one year.

List of County Equipment can be obtained on application at the County office.

The Board reserves the right to reject any or all bids, and waive any defect.

All bids to be plainly marked as to their contents.

Crawford County Road Comm., Chester Lozon, chairman, Elmer Corsaut, member, 14-21 M. M. Richmond, member.

COUNTY NEWS

Heading north from Owosso, Friday afternoon were Henry and Margaret Fryer, Carl and Eudora Beamish, and Alvin and Winnie Houke, arriving in Frederic at 11:30 Henry couldn't believe his own eyes when he saw the snow banks but found paths shoveled and the home fires burning and each one declared Frederic is the place to come for fun. Many games of Shuffleboard were enjoyed at the AuSable Hotel. Margaret started in bad but ended as

a champion. Big Al was the real champ, not losing a game, you should see him play. Tom Mooney had better hurry back to regain his title as Al really took over. The party headed toward home Sunday evening and we sure hope they hurry back. The maple sirup is grand Jess and kindly tell Bob to watch those buckets more closely from now on.

Mildred Demeire from Alma, who has been visiting her niece, Mrs. Bud Showers at Wolverine, visited the Lances in Frederic Friday, on her trip home.

Arthur and Belva Babcock of Lewiston motored to Ionia and back Wednesday. On their return, stopped at Frederic and gave the Lances a ride in their new Studebaker, purchased while in Ionia.

Morris Burricks are visiting at their sons, Bill Burrick, who live in Detroit.

Jim Tobin is now driving a new Ford.

Mrs. Cassidy from Waters is visiting her daughter and family, Mary Ryans in Frederic.

The Junior Class of the Frederic High School is sponsoring a St.

Patrick's Dance at the High School Friday evening and the Sportsmen's club will have a St. Patrick's party at their club house in Frederic Saturday night. Everyone come and enjoy the fun.

Mrs. Russell Wright was in Gaylord on business Saturday.

The Frederic Board of Review was in session Monday.

Ray and Eva Horner spent the week end at their cabin on the Manistee.

Al and Norma Madill spent Saturday in Traverse City.

Kinney Allen and wife spent Sunday at South Boardman.

Wanted one green hat and necktie. Charlie.

The Mom's had their meeting in the Town Hall Thursday night. Jerry and Roger Welch are working Saturdays at the Ford Garage in Grayling.

Cleo Hinkle and wife of Frederic also "Papa" Joe of Waters attended the Table Top meeting at Vanderbilt Monday afternoon.

Barney's Shuffleboard team were defeated Friday night at the AuSable Hotel, but by a good team from Vanderbilt. Barney says look out for us next season.

Mr. and Mrs. Stephan from Arrington, Texas, are expected home Wednesday to her parents, the Elroy Barbers in Frederic. Arla says she is homesick, her husband will soon return to the Navy Reserve.

Bill and Jackie Eckland of Grayling have spent several evenings visiting friends in Frederic.

Bill says he will have new window lights in the Sportsmen's Club house before the party Saturday night. So don't worry about the weather, just come.

"It's Your Inflation"

Life magazine recently published one of the best editorials on inflation which has yet appeared. It dealt with the Administration's "cheap money" policy which has made higher prices and depreciated currency inevitable. At the end it said, "The vast maze of Federal lending agencies which together make the U. S. Government the biggest source of private credit are going right ahead with loan policies which also stimulate inflation and further shave your dollars. Spokesmen for such respected groups as the Twentieth Century Fund and the Committee for Economic Development cry at the top of their voices that insanities of this sort may draw the country into an extreme inflation that could be avoided. All the Charles Wilsons, Eric Johnsons and Michael DiSalles in Washington cannot prevent or cure this inflation-with price, wage and commodity controls if the root fiscal causes of inflation are not only unchecked but actually encouraged."

"It's your money. It's your inflation. Better speak up, while three cents still pays the postage on a letter to Washington."

Largely due to high-level political blandishments, millions of people have laced a wholly unjustified faith in the power of arbitrary controls to stop price rises, and even to roll prices back to the levels of the first of the year, or pre-Korea or some other arbitrary date. At the same time, millions of people have been led to place the blame for inflation on doorsteps which are wholly or largely innocent. We blame the producer—forgetting that his dollar has cheapened just as our has, and his costs are swollen. We even blame the retailer with whom we do our day-to-day trading—despite the obvious fact that he must pay the going wholesale rate for his goods, and that his prices to us are simply based on current prices.

In other words, the emphasis has not been on the causes of inflation, but on the symptoms of inflation which are high prices and a fifty-cent dollar.

Beatrice and Virginia Peterson, Charles Bradley, Billy Joseph, Floyd Wylie, Fred Wood, Percy Griffin and Georgiana Lands. Don Gothro was platform manager. Mrs. Peter McNeven who is superintendent of the primary department is to be congratulated.

Higher Cost of Doing Business
Again Catches Up With Your
Telephone Company

We have found it necessary to make application to the Michigan Public Service Commission for an upward adjustment in telephone rates.

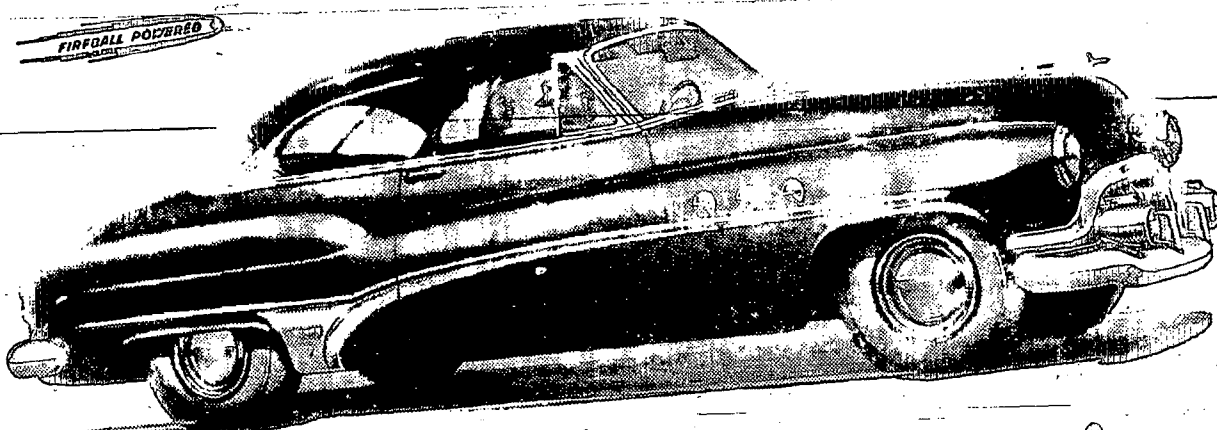

We're serving more customers and handling more toll calls than ever before, but the cost of doing business has increased faster than income.

We want to pay good wages and improve our service. But it's evident that telephone rates must reflect the increased cost of doing business.

We are not asking that earnings be high, but only that they be adequate to provide the proper relationship between income and expense. Earnings must be sufficient to meet the cost of providing satisfactory service. We believe that our customers will appreciate our problem of meeting these higher operating costs.

"The Value of the Telephone is Greater Than The Cost."

UNION TELEPHONE COMPANY

Look what the Smart Buick Wildcat has to offer!

No other car provides all this

DYNAFLOW DRIVE — saves strain on driver and car
FIREBALL POWER — high-compression, valve-in-head engine gets more good from every drop of fuel
PUSH-BAR FOREFRONT — combines smart style and unsurpassed protection
WHITE-GLOW INSTRUMENTS — greater clarity at night
4-WHEEL COIL SPRINGING — cushioned ride, saves servicing costs
TORQUE-TUBE DRIVE — steadier body by Fisher

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Now that the 1951 offerings of the motorcar industry have had a chance to strut their stuff, we ask you—can there be any doubt which is the really smart buy?

If you want a "new look"—Buick has it. That sturdy push-bar forefront says "1951" to all who see it—and provides unsurpassed front-end protection to boot.

If you want power that you can live with through many moons to come—Buick has that too. Years of expert engineering have made Buick's thrill-packed Fireball engine just about as dependable as a power plant can be.

If you want features that combine present pleasure with long-time durability, consider this:

Buick's level-going ride stems from coil springs on all four wheels which are virtually break-proof and never need servicing.

Buick's Dynaflo Drive* takes the strain out of every mile of driving—and pays off by eliminating any need for friction clutch repairs and replacements, by reducing engine and transmission upkeep, and lengthening life of tires.

*Standard on ROADMASTER, optional at extra cost on other Buicks.

If you want room and comfort and handling that make any trip a breeze—there's no simpler way to find them than to take over a '51 Buick SPECIAL, SUPER or ROADMASTER—relax and enjoy yourself.

And if you want all this at a minimum outlay of dollars—one look at Buick prices will settle this point.

So the smartest thing you can do is get in touch with your Buick dealer. How about doing that right now?

Your Key to Greater Value

From where I sit... by Joe Marsh

Watch Out For
The "Blind-Spots"

Stopped by Squint Miller's farm the other day and saw a vinegar bottle in his kitchen with an over-sized cucumber inside it. The cucumber filled the whole bottle.

"What's a cucumber doing in there?" I asked him. "That's my 'blind-spot' reminder," says Squint. "My grandmother kept one in her kitchen to remind her to take stock of herself now and then."

"I slipped that bottle over the cucumber when it was just starting to grow on the vine," he went on. "And like certain viewpoints,

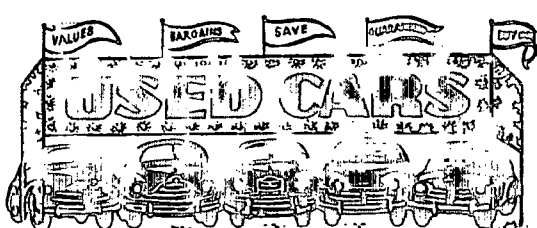

not noticed, it just grew and grew—now it's there to stay."

From where I sit, we could take a cue from Squint and watch for our own "blind-spots" and prejudices before they grow too big to get rid of. We've got to respect our neighbor's right to his preferences... preferences for a certain make of car, a favorite movie star, or a temperate glass of beer after work. We won't be tripped by any blind spots if we keep our eyes—and minds—open!

GOV. WILSON

By G. MENNEN WILLIAMS
Governor of Michigan

Lansing—In a democracy like ours, every public official is a servant of the people.

I consider myself to be your servant. And it is only fair that you should get a frequent report from me so you will know what I am trying to do in your behalf.

That is why I have decided to take time out from the other pressing problems of the State, to send this report weekly to your home town newspaper.

There will be no partisan politics in this column, no recriminations, and no ill feeling. The problems we all face are too important to be mixed up with personal prejudices or ambitions.

Bi-Partisan Policy: The atmosphere here in the state capital is a great deal more pleasant this year than it was a short while ago.

In my inaugural address, I appealed to the Legislature and to all state officials to forget partisan bitterness and get down to a program in the people's interest. In my message to the Legislature I made a similar appeal. Instead of laying down definite plans for legislation, I suggested that answers to our problems be worked out in bi-partisan discussions with me.

This program has brought a very definite response from my friends in the Legislature. There is still a little snowball-throwing going on around here. But I think we have achieved a much more friendly and co-operative spirit.

This is a time for all patriotic Americans and all who love Michigan to stand together.

Mackinac Bridge: Also in Washington I talked to Charles E. Wilson, Director of the Office of Defense Mobilization, regarding the problem of steel for the proposed Mackinac Straits Bridge.

The Legislature now has before it the preliminary report of the Bridge Authority which was set up at my recommendation a year ago. The Authority says the bridge is feasible, both from an engineering and a financial viewpoint.

We are now awaiting the Authority's final report. Meanwhile, the defense emergency gave rise to questions whether steel would be available for the bridge if the Legislature authorized it. Mr. Wilson told me steel would be available—probably in 1953. That would mean not more than a six-months delay, even if the Legislature acted this Spring to authorize construction of the span.

Roads: It was a pleasure to sign, last week, Senate Bill 2, which makes about \$13,500,000 available for fixing the chuckholes winter weather has left in our highways.

This money comes from present gas and weight taxes. The returns from these taxes during the last six months were unexpectedly high, and I urged the Legislature in January to authorize expenditure of the extra funds thus accumulated.

S. B. 2 appropriates \$7,000,000 to the counties, cities and villages. All of this can be used for repair work, if the local communities want to do so. The set of the appropriation, \$6,500,000 goes to the State Highway Department, for new construction.

This cash cannot technically be spent on repairs, but it will make possible the release of other funds for repair work. I am recommending to the State Administrative Board that it authorize the Highway Commissioner to make the necessary fund transfers to augment our maintenance funds.

Taxes: The Senate has been considering a bevy of tax bills. These include a 2-cent gas tax increase, a substantial increase in truck taxes; a 3 per cent "privilege" tax on used cars; and a bill to double the rate and raise the "ceiling" on the present corporation franchise tax.

Never before since the sales tax

was adopted have the people been faced with such a complex set of tax bills. These proposed new taxes would lay a very heavy burden upon the people of Michigan on top of the increasing cost of federal taxes for national defense. My position is well known. I am opposed to new taxes on the ordinary citizen's pocketbook. I haven't heard anything during the Senate debates that changes my original position.

Liquor Control: The job being done by the reorganized Liquor Control Commission should give everyone a great deal of satisfaction.

Chairman George Burke, Jr., of Ann Arbor, and Commissioner Allan B. Milham of Kalamazoo, whom I appointed in January, have taken hold of the state's liquor control problem in a very effective way. They are working harmoniously with Commissioner John Kezaren of Hamtramck.

The new Commission is giving clear evidence that it knows which word is most important in the name of the Commission, that most important word is not the word "liquor" but the word "Control."

Airline: While I was in Washington I talked to President Truman about the need for an airline connecting Michigan's two peninsulas.

Nationwide Airlines flies from Detroit to Houghton, via Lansing, Escanaba, Marquette and other points. This airline needs an operating license from the Civil Aeronautics Authority.

Direct air passengers and air mail service between the Peninsulas is one of the things we need to make our state a more closely knit and unified commonwealth.

I told the President about this, and I believe he understands why we are interested in this airline's continued operation. While I was waiting at the White House I ran into Delos W. Rentzel, Administrator of the Civil Aeronautics Administration, who was also waiting to see the President. So I took the opportunity to lay Michigan's case before him, too.

Life Begins: The Legislature was very kind to me on the occasion of my 40th birthday on February 23. Resolutions of congratulations were passed by both houses, and the members received me very graciously when I went to the House and Senate to give them my personal thanks. It helped, also, to have some of the Legislators continue to refer to me as "young fella."

SHORT STORIES

Garden Sequence

By Richard Hill Wilkins

BRYANT DREAMED a dream. He was in a garden. A beautiful girl sat on a white marble bench, and smiled at him across a pond filled with goldfish and pond lilies. Bright sunshine filtered down through shade trees and reflected the gold in the girl's hair.

3 Minute Fiction

Bryant knew that, according to all good dreams, he was, supposed, to do something—possibly to walk around the pool and bow gallantly before the girl.

He began to wonder if he didn't look somewhat like an idiot standing there.

It was then that he heard footsteps on the flagstone path that connected the garden with the wide, screened-in porch of the house. He looked up to find Laura, his sister, coming into the garden. He was glad that Laura had come. For Laura knew all about dreams and could tell him what to do.

"Bryant!" Laura exclaimed, stopping on the pool's edge, and looking from him to the girl, "whatever in the world are you standing here for? Why, you're positively rude. Doris must think my brother is stupid!"

Oh, yes, that was it. It was all working out fine now. Laura had asked her college roommate, Doris LaPlante, down for the week-end. Of course, that was she. How stupid of him.

So Bryant walked around the pool and was introduced. He looked deep into the twin black pools that were Doris' eyes, and apologized. His voice sounded odd, but that, of course, was because he was thinking that there was the girl he had been waiting for.

Then he almost groaned aloud. Doris had looked up and said it was quite all right and she really should have introduced herself, but he added so much to the scene, standing over there so straight and silent. It was the sound of her voice that made Bryant groan; for he remembered that it was all a dream and that Doris would soon be gone.

Then suddenly it was night, and they were once more in the garden. There was a full moon and a gentle breeze and music drifting down on the still air from somewhere back of the marble bench.

A week, two weeks, had gone by—Bryant wasn't sure which—since the first meeting in the garden. He had a dim recollection that they were glorious weeks of riding and golfing and swimming and dancing—all with Doris.

IT WAS ONLY OCCASIONALLY now that Bryant remembered it was all a dream. The dread of waking up didn't affect him quite so poignantly. That is to say, it didn't affect him until this night when they were alone in the garden. Then he was seized with a sudden panicky sensation. And so quite abruptly Bryant turned and said without preliminary:

"Bryant simply put his arm about her slim shoulders."

"Doris, darling, I love you. I know this is all a dream, therefore I'm telling you now before I wake up. I've waited all my life for such a girl as you. It seems that you'd come to me only in a dream."

And Doris turned up her face to him, with the moon making shadows of her eyes, and said: "I love you, too, Bryant, and I'm glad you waited for me. I hardly know what I would have done had I discovered you belonged to some one else."

Bryant thought this over and decided that the dream had turned out just the way he would have ordered. He'd better wake himself up, he thought, before he did something to spoil it. But before he could pinch himself, which was the conventional way of waking oneself from a dream, Doris laid her head on his shoulder.

Bryant looked down at the golden head. "Doris," he said brokenly, "this is all a dream, and in a minute you'll be gone and I'll find myself alone. You're not real."

But Doris laughed softly, and hugged closer. Bryant slowly put his arm about her slim shoulder. She was there, close against him. Her lips were upturned, and Bryant bent to kiss them, to know that when again he opened his eyes, she'd still be there—and would always be there.

Bits O' Talk

Tuesday Bridge Club met March 6 at the home of Mrs. Menno Corwin with Mrs. Frank Bond as cohostess. Guests were Mrs. Alfred Sorenson, Mrs. Willard Cornell and Mrs. Emil Niederer. Prizes were won by Mrs. Sorenson and Mrs. John Peterson.

Jerry's Ranch open daily. Mrs. William Powell returned from Houghton Lake on March 1, where she had spent the winter with her sister, Mrs. Sam Smith.

Mr. and Mrs. Arthur Crouch and Mr. and Mrs. Gerald Klein-felt returned home Sunday from Bad Axe, where they were called by the serious illness and death of Mrs. Crouch's and Mr. Klein-felt's mother.

Mr. and Mrs. F. J. McClain had dinner Sunday with the Hank Schmidt's at Shu-Pac Lake.

Mrs. Laura McLeod spent the week end with Mrs. Signe Randolph at Lake Margrethe.

Mr. and Mrs. John Libcke and children of Detroit spent the week end here visiting the Hanson family.

Richard Dawson spent a few days in Detroit last week.

Starting March 3, every Sat. eve. will be game night, Legion Hall basement, 8:00 P. M.

Mrs. June Taylor and son, Frankie, left Sunday night to spend a few days in Detroit on business.

The Willard Cornells are driving a new Pontiac.

AN IMPORTANT MESSAGE FOR PARENTS

Teaching your children the "Economic Facts of Life" now will save them much suffering later on, claims noted author Evelyn Barkins. Too many parents neglect to teach children how to live on a budget. Read "Teaching Our Child How To Spend," in The American Weekly with this Sunday's (March 18) issue of The Detroit Sunday Times.

John Krage Trains At Little Creek

Little Creek, Norfolk, Va.—Marine Private First Class John E. Krage, son of Mr. and Mrs. William Krage of 810 Chestnut St., Grayling, Michigan, is undergoing a course of instruction in advanced amphibious training here at the Navy's foremost East Coast amphibious training base.

A member of the Second Marine Division, Krage will spend two weeks here as a student at the Marine Corps Atlantic Troop Training Amphibious School. This school under the command of Brigadier George F. Good, Jr., U. S. M. C., is designed to train troop elements in the principles of amphibious warfare, and to continue the basic training of the individual as a part of an amphibious team.

The course of instruction here includes dry net practice, boat drill, combat loading, wet net practice, naval customs and terminology, air support, naval gun-

fire, and allied subjects.

In addition to the classroom and field training which Pfc. Krage will receive, he will participate in two large-scale amphibious landings as a member of a landing team. In exercises designed to put into practice the "know-how" acquired during his previous training.

A graduate of Grayling High School where he played varsity football, baseball, basketball, and track for four years, Pfc. Krage was called to active service with the Marine Reserve last September and is a flamethrower with a Second Division infantry unit.

Weekly News-Letter

From the Desk of Representative Emil A. Peltz.

It appears that the Governor's proposed Corporation-profits tax is gaining favor among the Republican members of the Legislature. More and more, the need for additional general fund revenue is becoming apparent. Further cuts in the budget will be difficult and strongly opposed due to the fact that prices and wages have increased during the last year. Even now, we may not yet have reached the ceiling.

The present 40 million dollar general fund deficit is no small problem. Increases in the amount of the deficit will occur until such time as new revenue is made available.

Some proposals have been made. One is to recapture some of the intangible tax that now goes to local units of government by having the State retain all that is collected above \$8,000,000. This would reduce by about one third the amount that the local units of government now receive. In the past the cities and townships have always fought against any attempt to take from them any of this State collected revenue. There is every reason to believe that they will oppose the idea now. There are some, no doubt, that could get along without it. There are others that need it badly. It is impossible for the Legislature to make exceptions. They must either take it from all or give it to all.

Another proposal is the used car title transfer tax of three per cent that has already passed the Senate. I have not yet been convinced that this is a fair tax. The original Sales Tax Act was intended to be applied to the retailers gross sales. Because we have deviated from the original intent it has brought on some difficulties. The Legislature some time ago made an exception to automobile dealers and buyers. The law was changed to require a dealer to charge the sales tax on the full amount of the purchase price of the new car instead of on the difference between such purchase price and the trade in value of the used car. He then charges the sales tax on the used car when it is sold. So the used car buyer

has to pay sales tax on a used car if he purchases it from a dealer, but not if he buys it from an individual. This situation has caused numerous dealers to resort to the so-called practice of "title-jumping" by transferring a title from the person buying the new car directly to the purchaser of the used car. The payment of the tax on the used car is thus avoided. The proposed bill would provide that all used car transactions would be taxed and that payment of the tax would have to be made with the application for the title transfer.

The mere fact that such a collection is made possible because of a title transfer does not prove the fairness of the tax. There is no justification in picking out the automobile out of the hundreds of other commodities that are sold by one person to another. You can sell your furniture, radio, fur-nace, diamond or any other article without violating the law. But if you sell your car under the proposed bill, the 3 per cent tax would be applied.

It is obvious that a similar tax on other commodities could not be collected but it can be on the used car because of the title transfer that is involved.

The bill further provides that the money thus collected should

go directly into the general fund. Thus it would not be subject to the Sales Tax diversion amendment which provides for a split with local units of government and the schools. The fact that this tax would provide 15 or more million dollars to the general fund, where money is badly needed does not justify the unfairness of taxing just one class of our population, namely the used car buyer.

The total of all the proposals thus far considered still does not add up to the amount needed for the general fund. So the proposed corporation profits tax is gaining favor.

1950 TB Death Rate Appears Lower

One out of every forty-one Michigan deaths in 1949 was caused by tuberculosis, according to a report made by the Michigan Tuberculosis Association. Although this "preventable disease" still claims about 27 Michigan lives each week, it is predicted that final figures for 1950 will probably find a new low in Michigan's TB death rate. The TB death rate for 1950 may be about 20.3 TB deaths per hundred thousand population, compared with a

rate of 22 in 1949. Financed through tuberculosis Christmas Seals, the report is dedicated toward "redoubled efforts in Michigan's struggle toward a day when there shall be no more tuberculosis."

The report shows one out of every five tuberculosis deaths in 1949 occurred at ages of 55 to 64, and emphasizes that "tuberculosis is not chiefly a disease of youth." In fact, of the 1,400 tuberculosis deaths in Michigan in 1949, more than five out of ten were men over forty years of age.

Seven facts every citizen should know about the disease were listed: (1) Tuberculosis is caused by a germ. (2) Tuberculosis is "catching." (3) You can't inherit tuberculosis from your parents. (4) You can have tuberculosis without feeling sick. (5) The doctor can tell whether you have tuberculosis by X Rays and other tests. (6) Tuberculosis usually can be cured if found early enough and treated properly. (7) The tuberculosis hospital is the best place to go to be treated and to protect others from your germs.

THE CENTRAL IDEA

Things you'd like to know about your Railroad

A life with your School Taxes

A LOCOMOTIVE ROLL sounds a lot like a school bell. And that's as it should be. Because your railroads are steady supporters of your school system. For instance, in Michigan last year, New York Central paid taxes totaling almost \$2,000,000, the major portion going to schools!

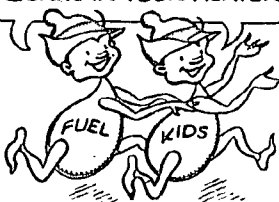

RAILROAD DOLLARS helped build and keep up many a fine district school. Helped pay many a teacher's salary. Helped to buy laboratory supplies or playground equipment. Helped many a youngster finish his training at state university or agricultural college.

ONLY RAILROADS in the transportation field give you this kind of a lift with school taxes, because only railroads are self-supporting. They build their own right of way... their own stations... yards. And remember... school taxes are only part of the taxes they pay on their property.

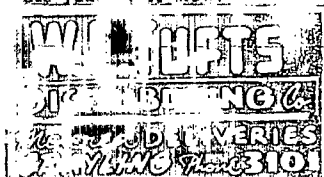

SO NEXT TIME you watch all the totem youngsters and their proud parents at Graduation... or the next time Tax Day rolls around... remember your Railroad! Paying taxes is one more way New York Central is a living part of your community. And that's the CENTRAL IDEA!

Michigan Mirror

The St. Lawrence Seaway project, long a controversial subject, now is being shunted around in Washington. Says Norman W. Foy of Republic Steel Corp., "The seaway is needed as a lifeline between iron ores in Labrador and the blast furnaces of the Great Lakes area."

Gov. Williams has now evinced interest in the Michigan mining industry. It is still cheaper to use Michigan ore—and so he is organizing a Michigan ore research while negotiating in Washington for a seaway to the mid-west. Research in the state is being pushed. The state mining industry, he says, must not be periled.

The Michigan state legislature adopted resolutions in 1933, 1935, 1937, 1941 and 1947 favoring the St. Lawrence seaway. Decision rests with Congress, legislators point out.

Michigan can look for the establishment of a crime commission or an equivalent organization. Gov. Williams is meeting with lawyers from all over the state seeking the answer to Michigan's increasing crime rate. Look for the announcement soon.

There will be a showdown soon on state taxes. The 3 percent used car sales tax, a 1½ cent gasoline tax increase and a weight tax boost have been approved by the senate. Will the governor sign the bills even after they pass the house? Gov. Williams says he opposes consumer taxes, favors a corporation tax.

As a substitute for the Williams corporation profits tax, the Senate Taxation committee has reported favorably a \$15 million increase in corporation franchise fees. The Senate already has approved a tax on sale of used automobiles. The new levy would add \$17.8 millions to the general fund. The Higgins industrial processing tax bill is still in committee, and Higgins has indicated it may not be needed to balance the budget.

Inflation note: More liberal unemployment compensation benefits are proposed by a legislative interim study committee. A minimum weekly payment of \$30 is asked by labor. Industry wishes to preserve present merit rating which labor opposes.

The National Institute of Mental Health has awarded \$28,917 in grants to three Michigan institutions for research. The awards; University of Michigan, Dr. Lee

CHURCHES

ST. MARY'S CATHOLIC CHURCH

Fr. John A. Breitenstein, Pastor

R. Rice, \$9,288; Wayne University, Dr. Fritz Reel and Donald Lipsett, \$4,644; Michigan State College, Dr. John H. Husem, \$14,985.

Mt. Clemens has plans for a new 100-bed hospital (general) to cost an estimated \$7,000,000.

Report is on tap that Republican National Committeeman Arthur Summerfield, Flint, may seek his party's senatorial nomination next year.

Michigan lawmakers are grimacing over the bitter pill tossed them by a specialist for the "little Hoover commission." Hardest to swallow was the assertion that the Democratic governor and his lieutenants have been tied down by "connivance" of a politically hostile legislature whose ideas and methods he describes as "amateurish, blind, discredited and time-wasting." The critic was Arthur Eugene Buck of New York, a reformer more interested in ideas than in results.

Constitutional earmarking of state funds and other restricted accounts have tied the hands of the legislature, Buck pointed out. Legislators now have control over only 36 per cent of general fund monies. In this "hodgepodge" is the sales tax diversion amendment whereby 78 per cent of sales tax revenues must be diverted to schools, cities, villages and townships. (Note: Counties do not receive sales tax revenues, as reported in error here last week.)

The state revenue department took in \$179,000,000 in the first seven months of this fiscal year, an increase of \$31,600,000 for that period last year. January sales tax was more than \$5,000,000 over last year, reaching \$24,800,000 for the month. Ogre inflation still is with us.

Michigan's conservation department is getting back on its feet after being focked by the state office building fire. All department divisions are operating on a "business as usual" basis with few public services still disrupted.

Although the last of the state's small game hunting seasons closed the first of the month, Michigan's hunter army can still do some legal shooting around the state. Conservation department has a list of non-protected species which can be taken at any time between sunrise and sunset.

WISHING
Won't Make It So...

WHAT A SOFT LIFE it would be if a town could have a fairy godmother. Then civic jobs like getting a new playground or bringing in a new industry would be a snap. Wishing would do the trick.

But towns and cities aren't built with magic wands. There's no easy out when it comes to improving the home and business life of a community. Planned work—not wishes—is still the answer. That's why it's everybody's job to take a hand.

One of the best ways to do this is to support the organizations which make the community's future their business. Your chamber of commerce is such an organization. It is set up to handle most local problems that come along. Education, taxes, industrial development are only a few of the fields in which it operates. How well it succeeds in any given task, however, depends in large measure on the support it receives. The more backers, the better the chance of success.

If you want to help
make your town a better
place in which to live
and work, join the team.
Ask your chamber of
commerce executives
about membership.

WHY
should any business
be classified a "TAX 4F"?

Congress has created a vast horde of these tax 4Fs by granting them Federal Income Tax Exemptions that enable them to escape without paying anything—or very little—to the support of government and the strengthening of our defense. Congress drafts men and boys...drafts your income in the form of higher taxes...but continues to allow these business tax 4Fs to escape scot free, or nearly so. Almost a billion dollars a year in income taxes is thereby lost...must be added onto the tax bill of everyone else...including YOU!

CHECK THIS LIST OF "TAX 4Fs"

hen... write and protest to your Congressman and Senators

Cooperative Corporations doing a business volume of nearly \$17 billion a year...making profits of nearly \$1 billion...escaping Federal income taxes of more than \$300 million every year. Co-ops top the list of "tax 4Fs." Congress should immediately tax their business profits FULLY just as other business profits are fully taxed...just as salaries and wages are fully taxed. Congress is responsible for the present injustice.

Savings and Loan Associations...there are more than 6,000 of them, federally and state chartered. They have assets of nearly \$12 billion and annual earnings of \$400 million. If they paid Federal income tax like other commercial financial institutions, they would pay \$125 million a year to Uncle Sam. But Congress lets them remain "tax 4Fs"...so they pay nothing in most cases.

Mutual Savings Banks having total resources of almost \$20 billion and annual profits of \$375 million. There are 530 of these tax 4Fs escaping \$130 million a year in Federal income taxes. It's time that every income taxpayer protest this preferred treatment for which Congress is directly responsible.

Other Cooperative Financing Organizations include 500 Production Credit Associations, 1,250 National Farm Loan Associations, and 9,000 Federally and State chartered Credit Unions. Their combined assets exceed a billion dollars upon which they earn \$25 million in profits annually...but pay little or no Federal income tax.

Many Mutual Fire and Casualty Insurance Companies...including some that are totally exempt from income taxes. Others pay some tax on a special tax formula that is different than that which applies to capital stock companies. Together, mutual fire and casualty insurance companies are able to escape more than \$33 million in income taxes annually.

Congress lets these "Tax 4Fs" escape even though they have ample ability to pay Federal income taxes just like any other commercial business or financial institution. In many cases their earnings are GREATER and their resources much LARGER than competing taxpaying businesses and institutions. Certainly, they have more ability to pay than has the wage earner and salaried person whose income taxes have just been raised while the "Tax 4Fs" are still allowed by Congress to pay little or nothing of our staggering national tax bill.

Clip, Sign and Mail This to Your Congressman...

No business should be allowed to be a "TAX 4F." Business tax exemptions must be ended—NOW! Please act to FULLY tax the business incomes of co-ops and other "TAX 4Fs" at the corporate level before distributions as patronage dividends or in any other manner.

NEW engineering advancements make traditional Dodge dependability

GREATER VALUE THAN EVER

THE DODGE reputation for dependability and long car life is a matter of record...a record of thirty-seven years...a record no other car can match.

And with the many new advancements engineered into the great '51 Dodge, this famous dependability makes Dodge an even bigger value, an even bigger dollar buy.

Yes, everything about this great new Dodge—the way it looks, rides and handles—tells you that here's a car built to deliver years and miles of dependable, low-cost service.

5 minutes tells why. Give us just five minutes. Let us show you how you could pay up to \$1,000 more and still not get all the extra room, handling ease and rugged dependability of this great new 1951 Dodge.

The couple was married at three o'clock in the afternoon, February 22 in Grand Rapids, Michigan.

On Saturday, the 24th the bride's parents entertained for the newlyweds at their home near Grayling.

Mr. and Mrs. Linderman toured the state before leaving to make their home in Charleroi, where Mr. Linderman is with the United States Postal Department.

The bride had been a stenographer at the Dow Chemical Company, Midland, before her marriage. She was honored at two luncheon parties given by friends in the departments in which she had worked.

CARD OF THANKS

We wish to thank the many friends and neighbors for their expressions of sympathy, extended to the family of Norman Fisher. To Rev. Hall for his comforting words. To Mr. Sorenson for his services and to all who in any way helped during this time.

Maggie Fisher.

CARD OF THANKS

We wish in some way to thank our friends and neighbors for their kind words and deeds, also those who furnished food during our recent bereavement, also for the beautiful floral offerings and other things, so many that it is impossible for us to express our heartfelt appreciation. We never realized the comfort and aid friends could offer or the loss of a loved one could be so deep.

Mrs. Alfred Galloway,
Mr. and Mrs. Thomas Galloway,
Mr. and Mrs. Frank Galloway,
Mr. and Mrs. Ray Denno,
Mr. and Mrs. Clarence Galloway,
Mr. and Mrs. John Galloway,
Alfred Galloway, Jr.

CARD OF THANKS

I wish to extend my thanks to all the friends, neighbors and nurses of Mercy Hospital for the many acts of kindness and consideration extended to me during the long illness of my husband, Norman Fisher.

Signed, Maggie Fisher.

Largest brakes in the low-price field!

The Smart New
Styline De Luxe 4-Door Sedan

(Continuation of standard equipment and trim
Illustrated is dependent on availability of material.)

**Yes, Jumbo-Drum Brakes . . .
extra smooth, extra safe . . .**

...another reason why more people buy Chevrolet than any other car!

You and your family will enjoy special safety in Chevrolet for '51—America's largest and finest low-priced car.

You'll know this the minute you test its new, more powerful Jumbo-Drum Brakes—largest in the low-price field!

They're extra smooth, positive and safe; they provide maximum stopping power with up to 25% less driver effort; they combine with many other Chevrolet safety factors to give you the fullest measure of motoring protection.

And you'll enjoy a special kind of performance and driving ease in this car, too. For it's the only low-priced car that offers you your choice of a mighty 105-h.p. Valve-in-Head engine, teamed with the time-proved Powerglide Automatic Transmission,* for finest no-shift driving at lowest cost. Or the brilliant standard Chevrolet Valve-in-Head engine, teamed with Silent Synchron-Mesh Transmission, for finest standard driving at lowest cost. Come in, see and drive it!

**AMERICA'S LARGEST AND FINEST
LOW-PRICED CAR!**

*Combination of Powerglide Automatic Transmission and 105-h.p. engine optional on De Luxe models at extra cost.

Annual Tax Sale

STATE OF MICHIGAN.

In the Circuit Court for the County of Crawford
In Chancery, No. 311

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the April term of this Court, to be held at Grayling in the County of Crawford, State of Michigan on the 10th day of April, A. D. 1951, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, shall appear in person or by counsel at said Court, on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent to said day, to as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the county treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Crawford, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of said sale, be reoffered, and if, on such second offering, the same cannot be sold, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. John C. Shaffer, Circuit Judge, and the seal of said Circuit Court of Crawford County this 27th day of January, A. D. 1951.

John C. Shaffer,
Circuit Judge.Countersigned,
Leo Lovely, Clerk.

STATE OF MICHIGAN.

In the Circuit Court for the County of Crawford
In Chancery, No. 311

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Crawford, in Chancery:

John B. Martin, Jr., Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree of said lands for the payment of the aforesaid amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated, January 26, 1951.

JOHN B. MARTIN, JR.,
Auditor General of the State of Michigan,
for and in behalf of said State.
